BILL NO. S-81-11-41

SPECIAL ORDINANCE NO. S-266-81

AN ORDINANCE approving Change Order Nos. 1, 2, & 3, for 337-80, Trier Ditch-Zuber's Addition, Federal Grant No. C-180599-08, in connection with the Board of Public Works

BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF FORT WAYNE, INDIANA:

SECTION 1: That Change Order No. 1, for 337-80, Trier Ditch-Zuber's Addition, Federal Grant No. C-180599-08, to John Dehner, Inc., in connection with The Board of Public Works, for:

> due to a major descrepancy in the field with existing utilities, an alternative location was considered. The costs effectiveness of relocating the existing utilities was not a economically desireable as moving the proposed line into the roadway. This move constitues the additional #53 #73 special backfill quantity.

SECTION 2: That Change Order No. 2, for 337-80, Trier Ditch-Zuber's Addition, Federal Grant No. C-180599-08, to John Dehner, Inc., in connection with the Board of Public Works, for:

> upon re-evaluation of including the City tap permits in the contract prices, it has created a logistics problem within the internal interactions of City Departments. In pursuing the handling of these permits it becomes a cumbersome item. By eliminating the tap permit under the contract and taking care of it at the time of each connection it will clear up many duplications of departmental requirements and creates a better monitoring process. Thus insuring a smaller possibility of a tap being connected without an inspection.

SECTION 3: That Change Order No. 3, for 337-80, Trier Ditch-Zuber's Addition, Federal Grant NO. C-180599-08, to John Dehner, Inc., in connection with the Board of Public Works, for:

> the asphalt quantity indicated is the result

of paving operations on Paulding Road. Original plans called for all 6" tap extensions to be bored or jacked under the road, but the contractor requested that he be allowed to open cut and the county engineer gave approval with the stipulation that a 2" layer of asphalt be placed after construction. This Department gave approval with the understanding that it be at the constractors expense. Upon reviewing the condition of the road from the last 6" lateral to the west limit of Res. 337-80, Trier Ditch, it was decided to pave the remainder of the project. The double chip and seal quantity is for Alberta Drive.This quantity was overlooked on the origianl engineer's estimate,

in the amount of $12,750.00 for Change Order No. 1, and in the amount of $2,880.00 for Change Order No. 2, and in the amount of $13,960.20 for Change Order No. 3, as set out in the specifications, which are on file in the Office of the Board of Public Works and are by reference incorporated herein and made a part hereof, be and the same is in all things ratified, confirmed, and approved.

SECTION 4: That this Ordinance shall be in full force and effect from and after its passage, approval by the Mayor.
